

Volunteers needed to help set up & run Channel 3 Kids Camp 11th Annual Holiday Light Fantasia at Goodwin Park, Hartford CT

Volunteers play a vital role in the fundraising efforts for Channel 3 Kids Camp, specifically for our largest fundraiser of the year, Holiday Light Fantasia. Below is information about volunteer opportunities during set-up in Oct/Nov and then during the event itself Thanksgiving night - Jan 2, 2022. We are truly grateful for any involvement that helps us make this a successful event! All proceeds from this event support year-round opportunities for Connecticut youth, ensuring any child who wants to experience camp is free to do so regardless of physical or economic abilities.

To learn more about Holiday Light Fantasia, please visit holidaylightfantasia.org.

Event Set-up – Bulbing Light Displays – Goodwin Park, Hartford, CT

Need: **Oct-mid-Nov - Daytime Weekdays & Some Weekends**

Under the direction of Channel 3 Kids Camp staff, volunteers help with the events holiday light displays by testing and replacing broken light bulbs. Volunteers work in small groups and work mainly on the ground but may use a small stepladder at times. Dressing for the weather is a must with a suggestion not to wear anything you cannot get dirty. **The need for this type of volunteer support is critical!** – If interested, please supply a few dates between 10/1/21 – 11/17/21 that work for your team, and we will coordinate with you.

AND/OR

Helping to run 11th Annual Holiday Light Fantasia at Goodwin Park, Hartford CT

Need: **24 Nights –Thursday, November 25th 2021 (Thanksgiving) – Sunday, January 2nd 2022, 1-6 Volunteers per night, Thursday - Sunday 4pm – approx. 10:00pm**

Under the direction of a Channel 3 Kids Camp staff member, Volunteers are needed to greet guests, scan tickets purchased online or sell tickets at the gate. Volunteers give info & instruction to ensure everyone's safety.

Volunteers will be outdoors at night (in heated booths) for this event but should dress for the weather (including rain). Volunteers are able to take breaks in a heated shed and we provide hot beverages & bottled water. Volunteers are welcome to bring food (crockpots of chili, soup, etc...) to enjoy and make it a festive and fun night out with coworkers, family and friends!

This is a perfect opportunity for businesses to get their employees together for one night to work the gate! All participating businesses will be featured here and onsite promotional opportunities exist. Its great team-building experience and a perfect way to give back to our community.
